

Help shape Bay Point's future!

Join us to continue the conversation about the future of Bay Point! We held the first two Bay Point community meetings as part of **Envision Contra Costa 2040** last spring and summer, and community members turned out to discuss opportunities and challenges in Bay Point and review draft guiding principles. Please attend this next meeting to review and provide feedback on the draft profile for Bay Point. The profile describes the community and provides policy guidance reflecting the values, priorities, and aspirations for the future shared by community members.
