

# Your Voice Matters!

Contra Costa County is updating important plans that will shape development in our county over the next 20 years. Environmental justice, community health, and sustainability are critical topics these plans will address. Please join us to discuss these topics and steps the County can take to achieve a healthier, more equitable and more sustainable future for all residents.

## Environmental Justice, Community Health & Sustainability Virtual Collaboration

Wednesday, June 3, 2020  
3:00 pm – 4:45 pm

### This virtual meeting

will be interactive and conducted using Zoom. Meeting participants can join by computer, tablet, or phone. Please register for this meeting at the following link, where you can also find out more information:
