

ENVISION CONTRA COSTA 2040

Canyon Community Meeting: Issues and Vision

Virtual Meeting
Thursday, August 6th, 2020

Contra Costa County is updating the County's General Plan, Zoning Code, and Climate Action Plan – an initiative called "Envision Contra Costa 2040." The General Plan sets forth goals and policies related to all aspects of community growth, change, and preservation. It is often referred to as the "constitution" for local development. The General Plan establishes the foundation for all land use decisions (including zoning and permitted activities) and Board of Supervisors policy direction.

At tonight's meeting, you can learn about the General Plan, Zoning Code, and the update process, discuss your vision for the future of Canyon, and share your ideas about key issues to be addressed through the General Plan and Zoning Code Update.
