

ENVISION CONTRA COSTA 2040

Clyde Community Meeting: Draft Community Profile

Virtual Meeting

Thursday, August 13th, 2020

6:00 PM – 8:00 PM

Contra Costa County is updating the County's General Plan, Zoning Code, and Climate Action Plan – an initiative called "Envision Contra Costa 2040." The General Plan sets forth goals and policies related to all aspects of community growth, change, and preservation. It is often referred to as the "constitution" for local development. The General Plan establishes the foundation for all land use decisions (including zoning and permitted activities) and Board of Supervisors policy direction.

At tonight's meeting, we'll present a draft community profile that describes Clyde and provides policy guidance that reflects the values, priorities, and aspirations for the future shared by community members at our first meeting. We'll also present potential changes to the General Plan land use map for this community. We want to hear your thoughts on the draft community profile and land use map: what do you like? What should change?

When you join the meeting, please wait in the virtual waiting room for the meeting to start.

6:00 Waiting Room

6:05 Welcome and Introductions / Poll

6:10 Presentation
