In Contra Costa County in 2045:

- ▶ *Communities are inclusive, close-knit, thriving, and engaged.*
- ▶ *All residents feel safe and secure in their homes and neighborhoods.*
- ▶ *Housing is affordable for everyone and no one is left without a home.*
- ▶ *All communities benefit equitably from a growing economy that is sustainable and just.*
- ▶ *All residents live in communities where they breathe clean air, are not burdened with toxic exposures, and have an opportunity to pursue healthy and fulfilling lives.*
- ▶ *Everyone enjoys safe, affordable, and reliable public transportation that takes them where they want and need to go: to good-paying sustainable jobs, quality schools, affordable grocery stores and essential services, recreation, and health care facilities.*
- ▶ *There are parks, community centers and gardens, small businesses, and faith spaces available to serve everyone in the diverse population.*
- ▶ *The county's scenic landscapes and unique natural features are preserved.*
- ▶ *Focused and ambitious actions are taken to reduce greenhouse gas emissions, improve community resilience, and adapt equitably to a changing climate.*

TABLE OF CONTENTS

1 Introduction.....	1-1	4 Land Use Element.....	4-1
What is the General Plan?	1-1	Land Use Designations and Map.....	4-1
User's Guide	1-2	Orderly, Well-Planned Growth.....	4-3
General Plan Objectives and Themes	1-5	Specific Land Uses.....	4-25
Implementing the General Plan.....	1-7	Land Use Element Performance Measures.....	4-32
2 Planning Context.....	2-1	5 Transportation Element.....	5-1
Planning Area	2-1	Safe and Sustainable Transportation	5-2
Geographic Setting	2-1	Coordinated Planning	5-8
Socioeconomic Setting.....	2-4	Multimodal Roadway Network.....	5-11
The General Plan Update Process.....	2-6	Active Transportation.....	5-16
3 Stronger Communities Element	3-1	Goods Movement.....	5-21
Environmental Justice	3-2	Air Mobility	5-24
Community Health.....	3-7	Transportation Element Performance Measures	5-27
Healthy Homes	3-16	6 Housing Element - This Element was adopted through a separate process	
Arts and Culture.....	3-19	7 Conservation, Open Space, and Working Lands Element	7-1
Economic Empowerment.....	3-21	Open Space Framework.....	7-2
Community Engagement.....	3-29	Agricultural Resources and Working Lands	7-4
Stronger Communities Element Performance Measures	3-32	Ecological Resources and Natural Systems	7-12
Community Profiles	3-32	Water Resources	7-21
		Historic and Cultural Resources.....	7-30
		Scenic Resources	7-36

Mineral Resources.....	7-38	10 Growth Management Element	10-1
Energy Resources.....	7-41	Background	10-1
Conservation, Open Space, and Working Lands Element Performance Measures.....	7-46	Intent	10-2
8 Public Facilities and Services Element	8-1	Authority	10-2
General Public Facilities and Services.....	8-2	Relationship to Other General Plan Elements.....	10-2
Water and Wastewater	8-8	11 Glossary.....	11-1
Drainage and Flood Risk.....	8-11	Abbreviations	11-1
Sheriff, Fire, and Emergency Medical Service	8-16	Terminology	11-4
Solid Waste Management.....	8-19		
Parks and Recreation.....	8-23	APPENDICES	
Schools.....	8-31	Appendix A – Summary of Policies and Actions by Theme	
Libraries	8-34	Appendix B – Health and Safety Element Technical Appendix	
Public Facilities and Services Element Performance Measures	8-35		
9 Health and Safety Element	9-1		
Air Quality	9-2	TABLES	
Greenhouse Gases.....	9-9	Table INT-1	State-Mandated and Contra Costa County 2045 General Plan Elements
Climate Change, Resilience, and Adaptation	9-11		1-4
Flood Hazards and Sea-Level Rise	9-13	Table LU-1	Land Use Designations
Wildfire Hazards.....	9-28		4-4
Extreme Heat	9-35	Table LU-2	Urban and Non-Urban Land Use Designations
Management of Hazardous Materials and Hazardous Waste.....	9-37		4-11
Seismic and Geologic Hazards	9-45	Table HS-1	Climate Change Hazards of Concern in Contra Costa County.....
Emergency Preparedness, Response, and Evacuation Routes.....	9-50		9-12
Noise and Vibration.....	9-57	Table HS-2	Typical A-Weighted Sound Levels
Health and Safety Element Performance Measures	9-61		9-57
		Table HS-3	Maximum Allowable Noise Exposure by Land Use.....
			9-58
		Table HS-4	Rail Vibration Screening Distances.....
			9-61
