In Contra Costa County in 2045:

- ▶ *Communities are inclusive, close-knit, thriving, and engaged.*
- ▶ *All residents feel safe and secure in their homes and neighborhoods.*
- ▶ *Housing is affordable for everyone and no one is left without a home.*
- ▶ *All communities benefit equitably from an environmentally sustainable, prosperous, and just economy.*
- ▶ *All residents live in communities where they breathe clean air, are not burdened with toxic exposures, and have an opportunity to pursue healthy and fulfilling lives.*
- ▶ *Everyone enjoys safe, affordable, and reliable public transportation that takes them where they want and need to go: to good-paying sustainable jobs, quality schools, affordable grocery stores and essential services, recreation, and health care facilities.*
- ▶ *There are parks, community centers and gardens, small businesses, and faith spaces available to serve everyone in the diverse population.*
- ▶ *The county's scenic landscapes and unique natural features are preserved.*
- ▶ *Focused and ambitious actions are taken to reduce greenhouse gas emissions, improve community resilience, and adapt equitably to a changing climate.*
